## THE GULL CLASSIC

Welcome to the First Annual Gull Classic and Salisbury State's new Physical Activities Center. Not only is this a great night for Salisbury State College as it opens the new building, but it is a great night for basketball fans in the Salisbury area.

Four winning teams will be competing in the two-day tournament. In the first round of action Friday night, two strong Division II teams from the North and South will meet. The second game will feature host Salisbury State against a young, improved Kean College squad.

The opening game will see New York Tech (6-3), a young squad, face the experienced Randolph-Macon team. The Yellow Jackets from Ashland, Va., are 8-2 for the season with a team that includes 10 lettermen. The Jackets have been averaging 76 points per game while allowing just 61, so the Bears will have their hands full.

New York Tech is led by freshman Kelvin Hicks. The 6'5" center is averaging 20 points and 15 rebounds per game while shooting at a 70 percent clip from the floor. Randolph-Macon is led by 6'6" senior center Joe Allen. Although a questionable starter, because of an injury, Allen has averaged 17 points and seven rebounds in the Jackets "rounded" offense.

The second game of Friday's doubleheader will see host Salisbury State put its (9-2 or 8-3) record on the line against Kean College's 7-3 mark. The Sea Gulls have surprised the Maryland area with an eight-game winning streak after an opening season loss. The Gulls have the fourth best record among Division III teams and they are also the fourth best free throw shooting team, hitting on .786 percent.

Junior guard Tyrone Mills (6'2") is the leading scorer for Salisbury, averaging 18 points per game and six rebounds. Freshman forward Juan Gabourel (6'3") is averaging 17 points per game after scoring 39 in Salisbury's losing effort to Madison College. And junior guard Dave Garafola (6'2") is averaging 16 points per game.

The young Kean squad is led by 6'5" Nick Yankowicz. The senior forward is averaging 20 points per game. The Squires were 4-20 a year ago, but the team has proven that it can win this season, as shown by its 7-3 record. The four other Squire starters are sophomores.

# Rosters
